"Don't Let Me Do My Work On Any Day"

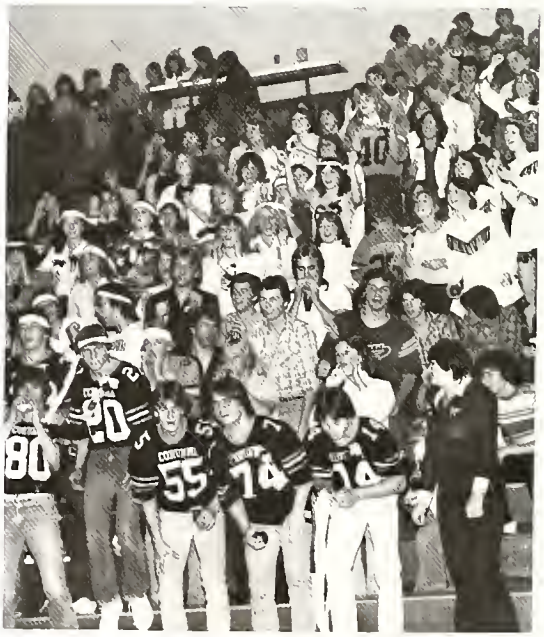
Watching the girls go by.

Too much time on my hands!

What a bore!

In Halls Or Buses, At My Desk Or Stall.

In Crowded Bleacher Seats Or Detention Hall



"I'll Write It In My Book Today."

"But first the books must be open."

"TARD"

"Don't follow the leader."

"Honestly John."

Barb Bacon and Mike Runyan

Homecoming was a very special event this year. All of the students were filled with spirit and pride as once again the Cavaliers came through with a victory. Our spirit was shown all through the week as each class competed against each other for spirit points.

We dressed as farmers, crazy people, dressed up in our Sunday best, and as usual on Friday we dressed in the traditional Black & Gold. The week wound to a close with our football team sweeping home a victory.

The Senior Class, as every class, has gained a reputation unique only to us. We shall be remembered as a group of individuals whom worked hard together for four years towards a common goal. Four years ago we took a big step together — entering high school. We laughed, learned, worked, and cried together. Each growing as an individual while we also grew stronger as a unit. Through our class projects, sports, activities, and various other accomplishments, we have gained a sense of pride and many wonderful memories we shall always have with us. Now we will take another big step together — going our separate ways out in the world.

The Senior Class President,

Shelly M. Letavis

The Junior Class has shown spirit, enthusiasm, and pride in our school for the last three years and is looking forward to a great Senior year. The students of our class were awarded high ratings at the Art and Science Fair and also contributed to all of our winning teams. I would like to thank everyone who helped out on our float, magazine sale, and dances to make them all successful. I would like to wish next year's Junior Class good luck.

Junior Class President,

Laura Gorman

The sophomore year was a busy one for all of our classmates. We experienced many new things. The class grew both academically and socially. Everyone worked toward the achievement of our goals. Through friendship and school pride, the class of '84 has brown to be reliable and responsible citizens of Corunna High School. I wish to thank everyone for their help and support throughout the year.

Adam Lazar
President class of '84

We started out slow but it didn't take us long to get in the act. We had a lot of fun and did a lot of hard work on our float. Our athletes did very well and worked hard to make varsity and junior varsity teams. Our first year proved to be a good start for our future Corunna High School years.

Hello,

As you know I'm from Brazil, my name is Hevelton Marcelino De Araujo Junior. Just call me Junior.

I'm very glad to be here with all of you, and I met a lot of nice friends here. The school is very good, and about the teachers, I don't have nothing bad to say. It's nice to be an exchange student, but it's hard too. Especially if you don't know how to speak the language and have to learn quick. But it's a lot of fun. I really like it. In Brazil we do not play baseball, or football. We play soccer. It's the favorite sport in South America.

I'd like to thank those who helped me to come over here, and wish luck for all of you, especially the Seniors.

Junior

Exchange Students

I'm 17 and I come from Cologne, one of the biggest cities in West Germany. I stay with Mr. and Mrs. William Lulham, Dawn and William.

In Germany my father works for the police force of Cologne. My mother is a house wife. My brother (14) still goes to school. My sister (19) graduates from school this year. and is going to attend college.

When I go home, I have at least two more years of school before I will graduate. After school I'll go to college. I don't know yet what I want to become later.

I know that all the experience gained here will help me in the future. Special thanks to the family I stayed with, Mr. and Mrs. Lulham, Dawn and William.

I enjoyed very much to participate in sports here, though I had to learn all about football before I could play because we don't have football in Germany. Fortunately I didn't have those problems with track or basketball.

The varsity football team REALLY came through this year. Even though at the beginning of the year many people forecasted a bad year in football, our team, through hard work and team support had one of the best years Corunna has ever had. Everyone on the team should be proud of their accomplishment just as the student body is PROUD of them.

SUNDIAL

I show the hour most faithfully
As long as the sun shines on me.
But when the sun the clouds conceal,
No sign appears upon my
wheel. Martha Strauch

DID YOU EVER?

Did you ever love someone and know they didn't care?
Did you ever feel like crying but knew you'd get nowhere?
Did you ever look into his eyes and say a little prayer?
Did you ever look into his heart and wish that you were there?
Did you ever see him dancing with the lights turned down low?
Did you ever whisper a prayer? God I love him so, but never let him know.
Don't fall in love my friend, you'll find it doesn't pay.
It always causes heartbreaks, it happens every day.
And you don't know why you wonder day and night.
Knowing you're losing him no matter how you fight.
Love is fine but hurts so much.
The price you pay is high.
If I could choose between love and death, I think I'd rather die.
So my friend don't fall in love, you'll hurt before it's through.
See my friend I ought to know, I fell in love with you.

THE HAPPY AND THE SAD

Remember the good times we had:
The good and the bad.
The happy and the sad.
Remember shared secrets by firelight:
The time you said you loved me
One, hot, summer night.
Remember the joy, the laughter, and the tears:
The memories of us together
Will last through the years.
There is nothing more I can say;
Just wishing you will walk back my way.
And give me one last glance
And one more chance.
To save the love we once had:
The happy and the sad.

Song To Tonya #3

The gentle touch of fingertips
On fragrant skin and pursing lips
Is as to me as is for rain
To flutter down my window pain
Gracefully flowing patterns warm
It takes the thunder from the storm
And seeps into my abode where
It glides down stauds of soft, brown hair
Trickles lightly 'cross the face
To delight and leave but not a trace
A silken thread not sewn in place

CONSIDER

Consider the times you broke a heart,
Consider the times you fell apart,
Consider the times you needed a hand,
Consider the things that you don't understand,
Consider the times you started to cry,
Consider the times you asked your self why,
Consider the things that make life worth while,
Consider the little things that make you smile,
Consider the most the things that you do,
But most of all, Consider the things that makes you,
YOU.

Graduation

This is it, Graduation is finally here. As Graduation arrives, many memories are revived. We all remember those days in the Elementary School; Days of kickball, monkey bars, and chase, as well as our avoidance of the dreaded cooties. Finally we made it through the Sixth grade and headed for the Middle School. Many of our carefree days were over as we met different teachers, got more homework, and made new friends.

We had another new beginning as the Eighth grade ended with our Eighth grade Graduation. We then became the Freshmen, or lowlife, of the High school. We again made new friends, met different teachers, and got "piles" of homework. The past four years in the High school have flown by but they have left behind responsibility and maturity to prepare us all for the different paths that we take. Now, another beginning must be started as once again a part of our life comes to a close. It's true, now more than ever, that "This is the first day of the rest of your life."

SCHOOL DAYS AND TEENAGE NIGHTS

Pondering thoughts, dreaming dreams,
Going to dances, devising schemes
Planning parties, taking tests,
Always remembering, never forgetting.

School days and teenage nights,
Getting cars and motorbikes.
Watching TV, drive-in shows,
Where's the time gone? No one knows!

Chasing life and running wild;
Your mom still treats you like a child.
Home by ten, asleep by eleven,
Up in the morning for school at seven.

Graduation comes at last;
We reminisce about the past.
Our high school days have been the best —
Always remember, never forget!

A DEDICATION TO THE
CLASS OF "82"

We were nervous little freshmen
In the big new school
They said, "Watch out for the seniors,
They'll treat you like a fool".

But we arrived and found
That this just wasn't true
You helped us every way you could
Our confidence grew

For us it's just a beginning
To you it is the end.
Of the greatest times
That life has to lend

We know you'll go far
In everything you do
But you've got to remember
It will be hard without you

We wish you luck in the future
And saying goodbye is tough
It's a big world out there
We hope it won't be too rough

So when you leave us all alone
And your finally out on your own
Please [illegible] we'll miss you
The terrific class of "82"

World News

In the past year, the American people have been witness to very startling world news. If you were to turn on the evening news during the past year, you might have seen people arrested in Poland because of the Marshall law that was imposed onto the people to stop the riots that took place in support of solidarity. You might have been able to see fighting and occupation concerning Israel's westbank. Talk about OPEC failing and the ceasing of the Nuclear Arms race was also heard.

The beginning of a war between Argentina and our ally, Britain, broke out when Argentina forcefully took over the British rule of a series of small islands called the Faulkland Islands. Even among these overwhelming world problems, however, you could have seen the romance of the century as Lady Diana married the heir to the British throne, Prince Charles.

On the national outlook, one could have seen demonstrations by thousands of people in support of the Gay Liberation. Not only were Gays hoping for more rights, but so were the women as the Equal Rights Amendment came before Congress. We could complain to our friends about the nation's deficit budget, Reagan's defense buildup, and a new kind of economics called Reagonomics. We also could have seen the return of the draft registration even though many people are entering the Armed forces because of unemployment as the automobile industry heads downhill as well as many other large companies.

In our courts we now have Sandra Day O'Connor, the first woman justice in the supreme court. We've heard about the trial of John Hinkley, who was responsible for the attempted assassination of President Reagan. We've all lived through disasters such as the Medfly which destroyed all the California's fruit. The collapse of a walkway at a hotel in Kansas that killed 187 people as well as the crash of a 747 into a bridge and the Potomic River.

Here in Corunna, we've had to worry about our millage renewal as the enrollment decreases and inflation increases. We've seen teachers receive the dreaded pink slip and classes have been cut. Inflation is the big issue as prices have skyrocketed. To see a movie, you have to pay $3.00. Blue jeans are now $20-$40. School lunches are $.90 and a school yearbook is $15.00. A McDonalds Big Mac costs $1.25, and a bottle of Coke costs $.60. A candy bar costs 30¢, an album costs $7.98, and a 45 record costs $1.87.

Th best films of the year were: Raiders of the Lost Ark, Chariots of Fire, On Golden Pond, and Porky's. The favorite songs were: Arthur's Theme, Freeze Frame, I Love Rock n Roll, and Open Arms.

This year as yearbook editor was very special to me. There were hectic times, sad times, and, of course, there were happy times. This year was rewarding, yet the job did not pay so well. But it was a job that I would never have traded with anyone else in the world. It taught me a lot about life.

I would like to thank the DEDICATED yearbook staff for their loyal support and the many hours of work they gave to the book. A special thanks to the high school faculty and administration who put up with all of the interuptions during their classes so that we could take pictures. To Mr. Buysse, our fantastic advisor, goes the biggest thanks of all. Without his knowledge, his enthusiasm, his devotion, his helping hand, and his ability to make people feel welcome, the yearbook would never be. Thank you, Mr. Buysse, **you are ONE IN A MILLION!**

Respectfully submitted,

Elizabeth Goward
Senior Co-Editor
Sphinx, 1981-82

I hope that we, the 1982 yearbook staff have managed to capture all the memorable moments of the past year and record them permanently for your future reference. The many hours that go into producing such a keepsake are well worth the final product. Many things that happen during our high school years would soon be forgotten if it weren't for the yearbook. I hope that in years to come the student body will continue to participate to keep this tradition going.

Everyone reading this owes thanks to this year's staff. They were GREAT! Without each and every one of them, this book would not have been possible. Extra special thanks goes to an extra special person — Mr. Buysse. He's stuck by the yearbook through good and bad and never once (?) given up hope.

I sincerely hope that you enjoy this book as much as I enjoyed working on it. Happy memories!

Sincerely,

Cheryl Trimble
